IMPORTANT INFORMATION FOR WILLOWBROOK SWIM CLUB, MAY 25, 2019

***Free Delivery Deadline - 3:00 PM, FRIDAY, MAY 31, 2019**

1. If you know that your swimmer is going to have to try on a suit for sizing, ***please have them bring or wear another suit to try on over.*** This will make it easier for us to see the swimmer in the suit and help get them the right fitting size. We would prefer not having the swimmers running back and forth to the locker room/restroom trying on suits.

2. *No one will be taking team suits home from the fitting.* All suits will be delivered, once the ***Free Delivery Deadline** has passed and everyone has had a chance to order. If parents choose to order through the **Willowbrook Swim Club** portal, and have the suits delivered with all the other team suits, please use the ***Free Delivery Deadline** coupon code **TDWBSC19**. Any orders placed after this deadline will be charged standard shipping charges and orders will be shipped directly to the customer (coupon will expire).

3. We encourage those who know exactly what size they need, to order through the **Willowbrook Swim Club** team portal (Registration and Login information on next page). We want to take the time to work with those who are new and need extra help in sizing and have questions about product. We want to alleviate as much time waiting in line as possible. Parents/Swimmers can also come to the fitting and get sized for their team items and then go home and place the order via the team portal. This will also help alleviate some of the waiting time, but remember...***please bring or wear another suit to try on over.***

4. ***We do not accept personal checks.*** We do accept Visa, MC, Discover & American Express, and course cash.

VO2 will be at the fitting during the scheduled times, and we won't leave until everyone is taken care of. We will have other items such as goggles, chamois, practice suits as well as other items available for purchase at the fitting. We look forward to working with you and your team!
