## **NEW SWIMMERS:**

***All new swimmers*** must schedule an assessment with Kelly before swim practice begins. Kelly will be available for assessments during the team sign up on June 4th. Swimmers must be able to swim 1 length of the pool without stopping or assistance to be on the swim team. This rule is to ensure the safety of all swimmers on the team. Swimmers who are not ready to begin practice with the swim team, will be encouraged to start out with our “pre-team” group.

If you are not available for an assessment on the day of the Meet & Greet, please send an email to: [willowbrookswimtennis@gmail.com](mailto:willowbrookswimtennis@gmail.com) to arrange for an alternate time.

## **TIME TRIALS:**

We will hold time trials during our regularly scheduled swim team practice. We will offer two, time trial options for all age groups. **TIME TRIALS ARE MANDATORY FOR ALL SWIMMERS TO PARTICIPATE IN MEETS.** Each swim team family will have to sign-up for their preferred time trial session.

**SESSION 2:** Monday, June 27th at 4:30 pm

The Willowbrook Swim & Dive Team would not be able to run without help from our parents. **For the 2022 season, it is mandatory for each family to sign up for at least one volunteer position.** This does not require each family to volunteer at every meet, but each family must

provide at least one volunteer at least once over the course of the summer. Volunteer sign ups will be available at the team sign up and in advance of each meet.

Swim Meet Policy:

Every swimmer's participation contributes to the team's success. To ensure participation by every swimmer regardless of experience, there are three types of meets: "A" meets, "B" meets, and Invitational meets. The coaching staff will determine who will swim in each type of meet according to the following criteria: "A" meet participants will include the 2 fastest timed swimmers in each event within each age group for home meets and the 3 fastest swimmers for away meets. However, on occasion a swimmer may be asked to "Age Up" (swims in an age group with older swimmers). All swimmers who have not placed first in an "A" meet will remain eligible for "B" meets. This is the same system that we have always used and we find it to be the most fair and most appropriate. Considering this criteria, it is mandatory for ALL swimmers to attend our team Time Trials in order to be eligible for "A" meets. We will not use times from the previous summer or from winter swimming. We want to promote the team mentality as much as possible, which is why it is important to time the swimmers in the same pool.

We look forward to another great summer with everyone!!
